

We can be found just off the main A49 trunk road, just to the north of the town of Craven Arms in Shropshire. 19 miles south of Shrewsbury, 8 miles north of Ludlow and 22 miles west of Bridgnorth.

If travelling south on the A49 towards Ludlow & Leominster turn right towards Edgton (Signposted 'Long Lane Industrial Estate') just before the Esso filling station as you approach Craven Arms.

If travelling west from the West Midlands via Bridgnorth on the B4368, turn right at the junction with the A49 in the centre of Craven Arms and travel north on the A49 towards Church Stretton & Shrewsbury for about one mile then turn left towards Edgton just after the Esso filling station. (Signposted 'Long Lane Industrial Estate')

After you leave the main A49:  
Go over the level-crossing, immediately turn left before 'Nightingales', then take the next right immediately before the gas shop, our yard is then directly in front of you at the far end.
